RE: **Docket No. FAA-2026-10827**
Notice No. 26-14

To whom it may concern:

Pursuant to 14 CFR sec. 11.47, I am respectfully requesting a 60-day extension of the comment period concerning the above-referenced docket number.

The Proposed Rule's extreme complexity and breadth requires substantial expert technical support to draft a comment that offers a legal and fact-based modification of the Proposed Rule.

The quality of life for 180,000 residents of House District 87 in Palm Beach County, Florida that I represent will be substantially negatively affected should this Rule be enacted as currently proposed.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "EG" or similar initials, written in a cursive style.
